### Message From Your Commandant

#### Marines, Corpsmen and Associate members,

The 597 board and I want to wish each and every one of you the best for the New Year! 2019 was a year of changes and achievement: We had a casual Marine Corps birthday party at the Junk Yard restaurant vs. having a more formal Ball; I moved into the position of Commandant for the 597 when Dick Jennings became the Dept of California Commandant; Our Color Guard detail presented colors at 130 events and received \$2,775 in donations; Our 597, once again, honored our fallen Viet Nam brothers when the Antelope Valley traveling Viet Nam Wall was in Simi Valley – Marty Spann was its Master of Ceremony and our Color Guard provided honors; and Robert “The Bugler” Martinez and John Mitchell had another banner year collecting toys for the Marine Corps Reserve’s Toys for Tots. We are all proud of what we do for our fellow Veterans and our community, please help us continue our work.

Our Detachment’s community participation has given our Veterans notoriety and support. We have been active with our local high schools with Veteran talks, our Color Guard has been at the forefront of ceremonies both public and private; we have been involved in the planning stages for Veteran housing in Simi Valley; we have reached out into our community to find Marines and there family members to join the League; our members have been very active in raising money and needed clothing and goods for homeless Veterans – all in to raise awareness that we are Marines. Marines do what is right and to help other Vets.

Now is the time we need you - our members - to step up to help us continue our legacy of supporting our brethren Marines and Vets. We need you to help take our Detachment to the next level of achievement. Your involvement is critical to our league. Please get involved.

**Marines, FMF Corpsmen and Associates,**

Happy New Year everyone! The Holidays are over and now we must face the cold days of winter here in Southern California. The Detachment held nominations for the four elected positions within our Detachment on 02 January. We will continue to take nominations for board positions during our February general meeting and have elections in March. For those who step up, we extend our admiration and will promise to maintain the great reputation our Detachment.

As tension mounts with Iran and other terrorists in the Middle East, we pray that our forces there will be spared any harm. We know that our nation depends on our military to protect us from aggression and to deter plots to kill or injure American citizens. May the one God who watches over us all, protect those who are in harm's way.

We look at 26 January and remember on that date in 2005, US military paid the high price for freedom - 30 Marines and 1 Navy Corpsman were killed when their Sea Stallion helicopter crashed during a sandstorm in Western Iraq. It was the deadliest day in the Iraq war.

You may not have noticed, but in October 2019, the US Postal Service began selling the Forever Purple Heart 2019 stamp. It was issued to honor the sacrifices of men and women who serve in the US military. This stamp is not to be confused with the 2012 design which was issued then as a 49 cent stamp only.

### From the Desk of the Adjutant

#### Marines, Corpsman and Associate Members,

Let me start off by wishing all of you a Happy, Healthy and Prosperous New Year. Last year was a good year for the Detachment with 130 Color and Honor Guard events which raised \$2,775, our Bingo fundraiser Raising \$1,400, and our annual picnic allowing everyone a chance to get to know our Brothers a little better.

The January Meeting was the first opportunity to nominate your fellow members to be officers in the Detachment. The first round of nominations had Harry Hodges nominated for Commandant, Martin Spann for Sr Vice Commandant, John Miller for Jr. Vice Commandant, and no one stepped up for the nomination as Judge Advocate. Unfortunately, Marty Spann declined the position as Sr. Vice Commandant via email the following day, and Brad Cantley resigned his post as Chaplain.

The February General Meeting will be the second and final opportunity for further nomination of officers with election of officers to immediately following the nominations. **It is important that we have members step up and accept nominations for the offices, especially for the positions of Sr. Vice Commandant and Judge Advocate.** We must have enough officers to have a Board of Directors for the Detachment.

The following states the criteria for Nominations and Elections:

#### \*\*\*Nominations and Elections\*\*\*

The Detachment Officers to be elected are the Commandant, Senior Vice Commandant, Junior Vice Commandant and Judge Advocate per Article Five of the National Bylaws.

Nomination of proposed officers shall be made between January 1 and the February general membership meeting of each calendar year. Election of officers shall be held at the February general membership meeting.

Each nominee shall be a Regular Member in good standing in the detachment at the time of nomination. Verification of such standing shall be made by the Detachment Paymaster.

Nominations for elective office shall be made from the floor by Regular Members in good standing. Each nominee, when called upon, will state to the Adjutant that if elected, he/she will accept the office and serve loyally, faithfully and to the best of his ability.

If a member, in good standing is unable to be in attendance during the two nomination meetings, he/she can nominate themselves by calling either the Commandant or the Adjutant and stating he/she is willing to serve if elected.

If the nominee is not in attendance during the February elections, he/she is not permitted to vote. Election of officers shall be by a secret ballot of regular members in good standing, present at the February general membership meeting.

Proxy voting is not permitted. A simple majority of the regular members in good standing, present at the meeting and voting shall be sufficient to elect.

Elected and appointed officers shall be installed at the March general membership meeting, but in no event, more than thirty days from their election.

\*\*\*\*\*

Please make a concerted effort to attend the February Meeting and to nominate and elect the deserving friends and members as one of the four officers of your President Ronald Reagan Detachment 597 of the Marine Corps League.

Semper Fidelis,

John Coley  
Adjutant

## **General Louis Walt**

### **Assistant Commandant of the United States Marine Corps**

Lewis William Walt was born February 16, 1913 in Wabaunsee County, Kansas. He graduated from high school in Fort Collins, Colorado. He decided to attend Colorado State and graduated with a BS in chemistry. He was an honor student and captain of the varsity football and wrestling team. He was a scholar with a high IQ. He was also the Student Body President and a Cadet Officer from the college ROTC program. Upon graduation he was commissioned a second lieutenant in the Colorado Army National Guard. He resigned his National Guard position and joined the Marine Corps in 1939.

In August 1939, he embarked for a tour with the 6<sup>th</sup> Marines in Shanghai, China and was a member of the detachment tasked with defending the International Settlement there. Later in 1939, Lt. Walt promoted to first lieutenant and was shipped to Marine Barracks in Guam. Lt. Walt returned to the United States just 6 months before the Japanese attack on Pearl Harbor and was assigned to The Basic School at Quantico, Va.

After being promoted to captain, he volunteered to join the 1<sup>st</sup> Raider Battalion. His unit later landed in the assault of Tulagi Island. For personal gallantry during the landing, Captain Walt received the Silver Star Medal. Following his Raider assignment, he joined the 5<sup>th</sup> Marines on Guadalcanal and was promoted to the rank of Major. During his time on Guadalcanal he assumed the duties of Battalion Commander of 2<sup>nd</sup> Battalion, 5<sup>th</sup> Marines. Major Walt was wounded in a small skirmish on Guadalcanal but refused to leave his unit. For his distinguished leadership and attention to duty he was spot promoted to Lt. Colonel.

Finally, his wounds caused him to be hospitalized and sent to the rear to Australia. Upon his return to Guadalcanal he assumed command of 3<sup>rd</sup> Battalion, 5<sup>th</sup> Marines and led his men during the intense battle for Aogiri Ridge. He received his first Navy Cross during this action and the ridge was renamed by his Marines to **“Walt Ridge.”**

In February 1944, Lt. Colonel Walt was ordered to the Naval Hospital in Oakland, California for treatment of wounds and malaria. He returned to the Pacific in time to land on Peleliu as the executive officer of the 5<sup>th</sup> Marines. It was here that he met up with the fabled “Chesty” Puller and the two warriors became lifelong personal friends.

During the Peleliu landing and intense fighting, both the Commanding Officer and Executive Officer of 3/5 were both killed in action. He was ordered to take command of the battalion. For his bravery, commitment to his men and outstanding leadership, Lt. Colonel received his second Navy Cross during the campaign to gain control of the battlefield and removal of the enemy from the surrounding area and from the all-important airfield.

In November 1944, Lt. Colonel Walt returned to the United States and assumed duties as Chief of the Officer Candidates’ School at the Basic School in Quantico, Va. After the war, he was assigned to the west coast, Camp Pendleton, California. In November 1951, he was promoted to Colonel and ordered to Korea. Again he was given command of the 5<sup>th</sup> Marines and had the dual responsibilities as CO of 5<sup>th</sup> Marines and Assistant Chief of Staff for the 1<sup>st</sup> MarDiv. During his combat assignment in Korea he received the Legion of Merit and the Bronze Star with Combat V for exceptionally meritorious service.

Transferred to Washington, D.C. in 1959, Colonel Walt was assigned to the Chairman of the Joint Chiefs of Staff as Assistant Director of Personnel. Later he was sent to the National War College and graduated from the course in June 1960. Colonel Walt was promoted a brigadier general and reported for duty at Camp Lejeune as Assistant Division Commander, 2<sup>nd</sup> MarDiv.

During World War II, General Walt married an Army nurse and they had 3 children, a son and two daughters. This union ended in divorce and General Walt remarried after the war and remained married until his death in 1989. The general was a very private man in regard to his family. He attempted to shelter them from the harshness of military life and the responsibilities that came with that type of life and commitment.

In June 1965, the general entered his 3<sup>rd</sup> war as a US Marine when he took over the command of the 3<sup>rd</sup> MarDiv. The Division was stationed in Okinawa and set to deploy to South Viet Nam on June 16, 1965. I was a member of Weapons Platoon, Charlie Company, 1<sup>st</sup> Battalion, 9<sup>th</sup> Marines, 3<sup>rd</sup> MarDiv. I recall the night before we sailed to Viet Nam, the General addressed the entire Battalion, one Company at a time. He told us to do our duty to our families, our country and ourselves. He told us that our duty was to defend our nation against the spread of Communism in Asia and to kill as many of the enemy as we could. He said that Marines from ages past were with us. We had a duty to defend their legacy and to do our duty and honor their memory.

General Walt again had a dual role in Viet Nam, first as Commanding General of 3<sup>rd</sup> MarDiv., and a larger position as Commanding General, III Marine Amphibious Force, FMF Pacific. His approach to the war in Viet Nam was slightly different from that of the overall MACV Commanding General, General William Westmoreland. General Walt sought to assist the Vietnamese people with medical care, security and freedom from the indoctrination and terror of the communists. General Walt introduced a program of pacification and mutual respect between US Forces and the civilian populace and established a Civil Action Program (CAP) within the Marine units in Viet Nam. He wanted his Marines to protect the people of South Viet Nam. He also realized that he had the duty to attack and destroy the Viet Cong (NLF) and the North Vietnamese Army (NVA).

For his services in Viet Nam, General Walt was awarded the Distinguished Service Medal. Just to understand how impressive General Walt was and how much respect he had within the Marine Corps and the US government, it should be noted that General Walt was promoted to Major General in June 1965, 10 months later he was promoted to Lieutenant General. This after President Johnson nominated him for the advanced rank and the US Senate approved the nomination. All within 10 months.

After his assignment in Viet Nam, General Walt returned to Washington DC and assumed command as Chief of Staff Director of Personnel at Headquarters Marine Corps. During this period, he was considered as Commandant. There was a very public and bitter dispute for this job between General Walt and General Victor Krulak. General Krulak was a very highly respected and admired Marine. However, he was very outspoken in his assessment of the war in Viet Nam and was not supported by President Johnson and others in the Defense Department. To pacify hurt feelings and continue to have good order and discipline in the Marine Corps, a compromise was made and General Leonard Chapman, Jr. was nominated and approved by a majority vote of the US Senate. General Krulak retired from the Marine Corps and General Walt was made the assistant Commandant of the Marine Corps. To repay the General for his many years of faithful and honorable service, the Senate approved a motion to have the Assistant Commandant billeted as a full 4-star rank. General Walt became the first Assistant Commandant to hold the rank of General. He retired from the Marine Corps on February 1, 1971. For his service as Assistant Commandant, the General was presented with his second Distinguished Service Medal.

General Walt retired to a very quiet life and died on March 26, 1989 in Gulfport, Mississippi. He is buried at Quantico National alongside his second wife Nancy.

### The Chaplain's Corner

Fellow Marines, Veterans and Friends:

I have resigned my position as Chaplain. It wasn't easy an easy decision because I enjoyed doing it. Being your Chaplain gave me a purpose to get up every day, but the serious lack of participation and only seeing the same individuals step up help the Detachment has indeed given me a sour disposition - so I resigned my position. If things change (meaning greater member participation and involvement) and we hadn't found a replacement I would certainly consider coming back as your Chaplain.

Thank you and Semper Fi,  
Brad Cantley

A short and simple prayer to those in need: "Supreme Commandant (Father God), I pray for healing for all on this list. Thank you Jesus, Amen". May our Lord and Savior keep watch over us, and to continue to watch over us. May He protect us, keep us healthy, and to keep us safe.

**Vice President Los Angeles Chapter #8  
Montford Point Marines Association**

[wmtrammell@twc.com](mailto:wmtrammell@twc.com)

### Marines:

Members of The Montford Point Marine Association Chapter 8 hold its monthly meeting on fourth Saturday of each month at the American Legion Post 46 at 5309 Sepulveda Blvd., Culver City, CA 90230. The next monthly meeting of the National Montford Point Marine Association, Los Angeles Chapter 8 will be February 29, 2020 and starts promptly at 11:00.

The entire National Montford Point Marine Association, especially Los Angeles chapter 8, regret to announce the passing and mourn the loss of an Original Montford Point Marine, Mr. Vaughn Whitworth. Those of us that met with him frequently will truly miss this dear man, father, friend and Marine.

Mr. Vaughan H. Whitworth was drafted in the United States Marine Corps from Raleigh North Carolina on November 11, 1943 (On Marine Corps Birthday) and was trained at Camp Montford Point, Camp Lejeune, North Carolina. Mr. Vaughan Whitworth served in the Marine Corps for 2½ years and attained the rank of Sergeant. Mr. Whitworth served in the Asian Pacific Theater in Operations against Enemy Forces. He hit Saipan on D-Day and Tinian a few weeks later both are part of the Mariana Islands Groups. Sixty days later he was on Okinawa, Shima and I. E. Sima (Ryuku Islands).

He was Honorably Discharged on March 1, 1946 from military service and moved to California and worked for the U.S. Postal Services. He was employed by Lockheed Aircraft Corp. (now Lockheed-Martin) for 37 years. He worked in Manufacturing, Research and Development and supervised several employees.

Mr. Whitworth married to his wife, Mrs. Carolyn Whitworth for 65 years, they have a daughter, Valerie C. Whitworth, Retired and resides in North Carolina.

Mr. Whitworth has been retired for 28 years and continued to relax and enjoy life working with the National Montford Point marine Association Inc. Los Angeles Chapter #8. He has received award as Man-of Year 2015 and Special President Award 2016, and in 2018 he was inducted into National Montford Point Marines Hall of Fame.

On the same note another valued member of the National Montford Point Marine Association family, Ms. Annie Grime, passed on to be with the Supreme Commandant.

Annie Laurie Grimes was born in Arlington, Tennessee, to Mr. and Mrs. Horace Karr Grimes. She graduated from high school in Somerville, Tennessee in 1946, and attended Ray Vogue Trade School in Chicago, Illinois in 1949. On February 2, 1950, she became the third African American woman to enlist in the Marine Corps. Unlike African American males, who received recruit training at the segregated Montford Point Camp in North Carolina, black women were integrated with other women recruits at Parris Island, South Carolina. Upon completion of recruit training the following May, Annie was promoted to Private First Class.

Private First Class Grimes reported to Headquarters Marine Corps where she served as a procurement clerk with the Supply Branch until May 1953. During this tour of duty, she was promoted to Corporal, Sergeant and Staff Sergeant.

Immediately following transfer to the west coast, Staff Sergeant Grimes was promoted to Technical Sergeant and served as Procurement Chief at the Marine Corps Depot of Supplies (later known as the Marine Corps Supply Forwarding Annex) at San Francisco, California through January 1958. In February, she assumed duties as Procurement Chief, Marine Corps Base, Camp Pendleton, California, and served in that position until August 1962. While there, she was promoted to Gunnery Sergeant.

Gunnery Sergeant Grimes' next tour was in that same capacity with the Marine Corps Supply Activity, Philadelphia, Pennsylvania. Gunnery Sergeant Grimes completed the Senior Supply Chief Course at Marine Corps Base, Camp Lejeune, North Carolina in September 1964. When she returned to Philadelphia, she was assigned an additional MOS of 3049 (Comptroller).

January 1965, Gunnery Sergeant Grimes was transferred to Marine Corps Base, Camp Lejeune, North Carolina and served as Procurement Chief there until June 1967. Her promotion to Master Sergeant and Warrant Officer occurred during this tour.

Warrant Officer Grimes was then ordered to the Marine Corps Supply Center, Barstow, California where she was assigned to Material Division. While at Barstow, she completed the sub-courses required for Temporary Officer Training and was promoted to Chief Warrant Officer. This tour of duty ended December 1969.

January 1970, Chief Warrant Officer Grimes was transferred to Fleet Marine Force, Pacific, Camp Smith, Hawaii and was assigned duty with the Assistant Chief of Staff, G-4 where she remained until her retirement on October 1, 1970.

During her career, Chief Warrant Officer Grimes was awarded the Good Conduct Medal with two bronze stars and the National Defense Service Medal with one bronze star. In 1965, she was awarded a Meritorious Mast by the Commanding General, Marine Corps Supply Activity, Philadelphia.

Ms. Annie Grimes is pictured here at the 2019 National Montford Marine Association Convention in Charlotte, NC with L.E. "Mike" Johnson, the National Montford Marine Association Western Region Vice President.

We are so proud to have known these two individuals, MARINES.

Semper Fi,

Sincerely,

Rancho Simi DAR Chapter was honored to participate in our 2nd year of Wreaths Across America placing wreaths on veteran gravesites at Rancho Simi Pioneer Cemetery. Once we finished there, an overage of 27 wreaths were transported over the Ascension Cemetery, where we placed what we could on veteran gravesites. Chapter members volunteered on December 14 at 9:00 a.m. ... the exact same time as wreaths were being placed at the same ceremony at Arlington National Cemetery at 12N EST and other military cemeteries around the nation as well as France. We partnered with American Legion Post 702 in Moorpark. Our group, gloves in hand were L-R bottom row: Mary McBride (Honorary Past Regent), Wendy Calderone, Kathleen Mattei (Recording Secretary), Donna Naismith, Carolyn Hill (Treasurer), Sandra Wolin. Top row L - R Susan Valle, Carol Perciavalle and Debbie Sands (Vice Regent) as well as Carolyn McGovern who arrived after the picture was taken.

Rancho Simi DAR Chapter is currently partnering with other DAR chapters in our District VIII to furnish books for pre-K to 7<sup>th</sup> grade children. It has been requested we concentrate our efforts for our Simi Valley school district. Gently used books are just fine! Please take a look at your bookcases and see if you have any books to donate. Of course, if you want to purchase books for these age levels, please do! ### **Without You, We Are Nothing**

The few, the proud, the Marines.

Our Detachment has a few of those, Matt Valenzuela, Ruy Peña, John Miller, John Mitchell, Fausto Galvan, Doc Honaker, John Fuentes, Jerry Anderson, Mark Shuster, Harry Hodges, Ben Pfister, John Coley, Marty Spann, Robert Martinez, Dick Jennings, Jerry German, Rudy Cordero, Brad Cantley, and others who have made meaningful contributions to the 597. They stepped up to the plate because they wanted to make the Detachment a better organization for its members and local Veterans.

This Detachment has done some meaningful things in the past, spanning helping high school youth, Veterans in need, community outreach, being there for an ill Marine, and to honor their legacy. These are selfless deeds done to help others.

As Marines you are leaders who can take on any task and succeed. Our Detachment needs this core Marine trait now, and you have an opportunity to show your love for your Marine comrades by seeing that this Detachment lives on. Without your contributions this organization will cease to exist, as with any other organization without active participation.

Our final nominations for Detachment leadership will be during the February general meeting, please show up and show that you are a Marine – the few, the proud, a Marine.

Thank you,
